President's Message

Time is flying by, and I feel like I'm missing out on half of what is going on in the world because of all the time I'm spending in the garage. Not only do I have a love for Falcons, but I've always had a thing for the '32 Ford. At present, I'm building a '32 three-window coupe. I keep telling myself it's worth all the many hours I've spent working — and it will be when I can get it out on the streets.

Try to get your vacation time planned so you can attend some Regional Meets and find out what these Falcon people are all about. They're the best bunch of people we've ever met. No matter what happens, good or bad, they are there to help.

Roy Sword, our Founder, will now be the treasurer of the FCA. Our funds will be kept in good shape with him as they were with Jimmy Throgmorton. I believe we'll still have a good year in the FCA, even after our loss of Jimmy. He was a great "Falcon" person and a great friend. We will miss him. As President of the FCA, I would like to thank all who helped in various ways at the time of his death. People like you are what make our organization so special!

Take care,
Jim Hatcher

Keystone Chapter Event Change Notice

In previous newsletters, the Keystone Chapter 1995 event calendar listed the 6th Regional Meet at the June 1995 All Ford Show in Carlisle, PA. There has been a change in the date and location.

The Keystone club members voted to have the 6th Regional Meet on Friday and Saturday, September 8-9, 1995, at the Holiday Inn near Grantville, PA. This hotel is located 15 miles east of Harrisburg at exit 28 on I-81. More information about this will follow in later newsletters. Club contact in Grantville is Bruce Wolfe, 717/469-7252.

The meet in conjunction with the All Ford Show in Carlisle will continue as planned, but there will be a lot more time to check out all the nice Ford and all the Ford vendors.

Vice President's Message

How about *we* take a quick review of what happened with *your* club during the past 12 months. Drum roll, please — 1994, Thanks for the Memories!

The year started with good financial news. Our '93 convention had netted close to \$7,000 in operating capital. This meant dues would remain low, and the FCA would be able to make some improvements in the newsletter. Also, we carried forward some financing for the '96 convention. Bottom line — it all comes back to the membership!

We had four Regional Conventions during the business year. In April the Suncoast Chapter hosted its fourth regional in Kissimmee, Florida. June found us in Santa Rosa, California, where the River City Chapter also hosted its fourth regional. The Northeast Chapter hosted its first regional in August in Auburn, Massachusetts. Then, in October, we returned to where it all started: Hot Springs, Arkansas. The Founder's Chapter hosted its umpteenth regional on beautiful Lake Hamilton. Thanks to all of you for all the hard work and preparation! Also, our thanks to those who took the time to attend one of these events. It just couldn't happen without *You!!!*

Our 15th National Conventional was hosted by the Keystone Chapter in Valley Forge, Pennsylvania. What a show! These folks pulled out all the stops. You are not likely to see a better prepared, organized or executed show for some time to come. Ed Snyder, Frank Servas, the entire Keystone Chapter — what can we say? The best "Team Effort" to date. Thank you all for the highlight of the year!

The FCA welcomed 380 new members to the family during 1994. A personal "Hi" to y'all and hope to meet you in Dallas in '95. The great state of California led all others in new members with 61. Wow! We need to find out what their recruiting strategies are. Second on the list of new members was Texas with 31. You can bet I will have a talk with our Regional Director about being outdone by a little old state like California (just kiddin', gang). Pennsylvania was a close third with 26 new members, followed closely by Florida with 25. Eight states had ten or more new members: Indiana, Maryland, Massachusetts, Michigan, New York, Ohio, Tennessee and Virginia. Our Canadian neighbors also had ten new members. Let's hear from you guys up there. We would also like to welcome new members from Australia (1), Hong Kong (1), France (1), New Zealand (1), Army APO (1), and Navy FPO (1).

The Falcon Club of America is definitely growing on an annual basis. To maintain this growth, the officers have concentrated their strengths at keeping the club as family oriented as possible. That is what we are about and how we will stay. We need your support, efforts, and involvement to remain successful!! Got any ideas? We offer our sincerest wishes that you have a happy and prosperous new year!

Love Ya All,
Marty

L e t t E r s

to the Editor

To All My Dear Falcon Club Friends:

Words cannot express the warmth I feel at this time for all the love, caring, phone calls, flowers, visits, memorials, food, the tender cards, and the prayers that have been sent to me and the family due to the loss of Jim.

He often remarked that the FCA was a unique family club in that everyone showed genuine concern for each other. That love and caring have been such a support to me and my family during this time. It came from coast to coast of this United States. Your love and concern will radiate around us for a long time.

The Bible teaches that we are only guaranteed the present minute and not the next, and we must be prepared to meet our maker at any time. Jim had made that preparation; he was talking to me one minute and gone the next. That is such a consolation to us.

This is a long thank you, but it just can't adequately express all I feel and how I appreciate you all.

Have a happy new year and hope to see you in July at the National.

With much love,
Ruby Throgmorton
FCA Secretary

////////////////////////////////////

Friends:

It is with a sad note that I request that you retire FCA #56 effective immediately. The 1962 white, red interior, 2-door Futura no longer resides at 3523 Midvale Road, Tucker, GA. Several pressures made me finally decide that my beloved Falcon needed a better home with more TLC and attention.

Please extend my thanks to all FCA members over the years for all of the good times, fond memories and warm friendships. Best wishes to all.

Very truly yours,
George W. Leck III

December 27, 1994

I, as well as everyone else, was greatly saddened by the news of Jim's [Throgmorton] passing. I would like to share with everyone some things he shared with me.

A lot of people will remember Jim as the guy with the video camera in the parking lot at many Falcon Club shows. And, yes, he was even out there with umbrella in hand while it poured this past year. I believe documenting activities of our club was important to him.

Teaching and sharing information was another of Jim's qualities I will remember. He helped connect the lights (in the rain, of course) on the new trailer in Hot Springs. He wanted it to be safe for us to travel home.

And the one thing he showed me, I will never forget. . . . On several occasions, while speaking with other club members, he would tell them he believe he had the most *fun* at a convention. He would say that winning trophies, to him, was not important. Sharing Falcon stories and fellowship with club members was *fun*. He said he was always going to have *fun*, rain or shine.

Love,
Bonnie Stringer
Club Store Manager

Dear Kathy,

Hi! I'm writing to acknowledge and thank Marty Martin for his fine advice in response to my "technical" questions that I asked him. His answers made sense and were written on really cool stationery. His tone of response was uplifting and made me really want to get the wrenches out and go to work on my Falcon. I get the impression that the technical advisors for the Falcon Club of America are seriously underutilized. That's an awful shame. In addition to answering my questions in a nice, informative manner, I feel I have a friend now in my technical advisor and will not hesitate to ask him a question again or write to just say "Hi."

Well, thanks for listening, Kathy.

Sincerely yours,
Scott Smith

(Letters to the Editor continued)

Dear Editor,

As a new member of the FCA, I would like to share my passion for Falcons with the other members of the club.

The goal of my letter is to know if you could give me information about the "total performance" racing program of Fomoco during the '60s and precisely about the racing Falcons.

I know that eight Falcons were prepared in 1964 for the Monte Carlo rallye (cars were prepared by Allan Mann in England) and another Falcon was prepared in 1965 for the T/A series (I knew that in the T/A registry and the Mustang road racing registry). I would enjoy having papers, books, photos on the racing Falcons.

The picture enclosed was taken at the last vintage event in France. It was the "Bongogne Grand Prix" near Dijon City. The car, a '64 Sprint Falcon, finished first in the FIA Tourist Trophy, with about 300 hp from the 289 c.i. V8. The car was spicy and hot like the mustard they produce in this region! With all the body panels in fiber, the car got a good top speed!

Thanks a lot.

Sincerely,
Roch Olivier

Chapter News

The **Mid America Chapter** held a meeting in November to make final plans for their Christmas party. In December 43 members attended the Christmas party and enjoyed a great potluck meal, business meeting and Chinese grab bag gift exchange.

A tree trim and potluck meal were held by the **River City Chapter** at the Towe Museum. There were tables of delicious food, everyone laughing, visiting and enjoying the company, and then they decorated their Falcon tree.

The **Heart of Texas Chapter** held its annual Christmas party in December in Fort Worth, TX. Each member brought a gift for the Chinese gift exchange and the chapter furnished the meal. Election of officers was held with the following being elected: Danny Rosewell, president; Frank Bell, vice president; Sandy and Jerry Hutchinson, secretary/treasurer. The chapter is looking forward to a successful 1995 with a possible regional meet to be held in the fall.

A Christmas party and regular meeting were held together in December by the **Carolina's Chapter**. An appreciation plaque was given to outgoing president Ken Earnhardt for his leadership of the chapter. A regional meet is being planned for September, 1995, and committees will start meeting in January.

At the **Suncoast Chapter** December meeting for elections and social party were 33 members and ten super Falcons! The party was held first while the mail-in ballots (60% return!) were counted. Food was ample and delicious — ham and turkey with all the trimmings, goodies and some really super desserts. Officers for 1995 are Joe Stowe, president; Chuck Beason, first vice president; Archie Ershery, second vice president; Robert Herrault, secretary; Ron Love, treasurer; William Hauke, senior director; David Wagner, junior director. Plans were discussed for their 5th Regional which will be held April 27-29, 1995, in Lakeland, FL.

In November the **Mile Hi Chapter** held their annual "All Chapter Birthday Party." Thirty-two members attended. The annual Christmas dinner and installation of new officers and board was held in December. About 46 people attended. Numerous door prizes were given out and a Christmas plant was given to each family represented. Officers installed were Ron Brown, president; Lenny Kellogg, vice president; Bobbie Adkins, secretary; Toots Clements, treasurer; Scott Smith, board member; Mike Carabetta, board member.

*Richard Harrelson, **Space City Chapter**, with his '65 Sprint 1st place winner at the Mustang All Ford Show.*

*Jim & Darlene Priest, **Space City Chapter**, show off their '65 2-door that took 3rd place at the Mustang All Ford Show.*

One Wire Alternator Voltage Regulator Conversions

If you want to upgrade your Ford Falcon (6 cyl. or V-8) to an alternator, this product has proven to be the easiest and most reliable method! It even allows you to run a stock Ford alternator.

After mounting the Alternator/Regulator assembly on the engine, one #10 gauge wire is run to the +12V side of the starter relay. This is the only wire required to make the system maintain a full charge on the battery. A provision is also included to maintain the integrity of the charge indicator light on the dashboard. Simple, clean, inexpensive and solid state reliability. Absolutely the best way to go. The following parts are available for **Immediate shipment**.

- One Wire Voltage Regulator **\$30.00** EA
- V-8 Chrome Alternator Mount Brackets **\$18.00** SET
- V-8 Reconditioned Alternator Mount Brackets
bead blasted and painted black. **\$15.00** SET

In the Spotlight from Hellertown, PA

“Black Beauty”

This raven "Black Beauty" is owned by Sean Kirsch of Hellertown, Pennsylvania. According to Sean's tech sheet, this car is very much as the factory built it 33 years ago! Only the lower body has had a repaint, the rest is original.

Power for this 1961 Futura comes from the original 170 engine that has been rebuilt to factory specs. Induction is through the original one barrel Holley, with factory ignition providing the spark. A column-shifted three-speed transmission provides the transitional chores. The exhaust system is just like Henry designed it: whisper quiet and efficient. Rolling stock consists of factory 13" wheels mounted to 600/13 tires. The factory ride has been maintained with the addition of new ball joints and shocks. The full wheelcovers were standard on the Futura.

Inside, passengers are greeted to a plush red vinyl interior, bucket seats, OEM carpets, and the original AM radio providing the tunes. The Futura was a transitional car for the Falcon lineup — sportier in everyway! Perhaps a look at things to come in the line of Falcons of the future?

Sean, a member of the Keystone Chapter, has owned this car for the past seven years and has every right to be proud of his ride. He attended and helped host the 15th FCA National Convention with mom and pop, Ann and Mike Kirsch. His car also won first place in an extremely tough class filled with nothing but prime examples from the northeast.

A family affair? No doubt about it! This is what the FCA is all about. Thanks to Sean, Mike and Ann for sharing this treasure and preserving a beautiful piece of Falcon history.
